

NASMHPD SUMMIT

APRIL, 2005

Mary Cesare-Murphy, Ph.D.

Executive Director Behavioral Health Accreditation

Joint Commission on Accreditation of Healthcare Organizations

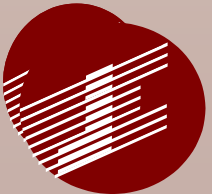

**Project Update:
Identifying Hospital Based
Inpatient Psy. Services Core
Measures**

JCAHO Activities To Date

- Collaboration with National Association of Psychiatric Health Systems (NAPHS), National Association of State Mental health Program Directors (NASMHPD) and The NASMHPD Research Institute, Inc. (NRI)
 - Initial stakeholder meeting early 2004 to identify potential domains for measure set
 - Appointment of HBIPS Expert Panel in March 2005
 - First Panel meeting May 2005 to establish a measurement framework and potential candidate evidence- based measures

Core Measures

(Definition)

- Standardized sets of performance measures (usually disease, condition-specific or setting)
- Precisely defined specifications
- Can be uniformly embedded/adopted in extant systems
- Standardized data collection protocols
- Meet established evaluation criteria

Core Measure Set Definition

- A unique grouping of performance measures carefully selected to provide, when viewed together, a robust picture of the care provided in HBIPS care.

Measure Identification Process

- **Advisory panels establish measurement framework and potential candidate evidence-based measures**
- **Identify/ Call for measures**
- **Stakeholder engagement/ Public comment period**
- **Advisory panels select measures that meet established evaluation criteria**

Hospital- Based, Inpatient Psychiatric Services (HBIPS) Core Measure Activities

**May 2005
First HBIPS
Meeting**

**August 2005
Second
HBIPS Meeting**

**July 2006
Implementation
Test Set**

**March 2004
Stakeholder
Meeting**

**May 2005
Call for
Measures**

**Sept/Oct 2005
Public
Comment**

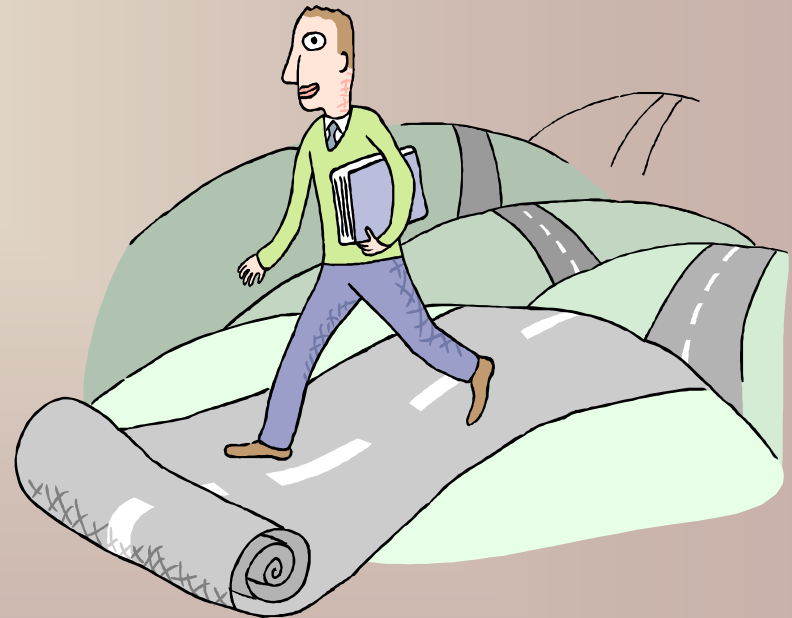

HBIPS Core Measure Vision

- Identification and specification of an initial set of standardized HBIPS core measures from existing evidence based measures
- Overtime identify future measurement needs and core measures that meet those needs
 - Add to existing set
 - Additional measure sets

Your help is needed on the HBIPS measurement journey

- Aware of existing measures in draft framework
