Social Marketing for Systems Change Example
Lummi System of Care Expansion

Background on System of Care

- Four-year grant (funded in 2014)
- Previous grant projects: System of Care Grant (2008–2014)
- LSOCX entered the Lummi Community to create a Lummi Infrastructure for the community to receive a Lummi-ized framework to Behavioral Health Services

Social Marketing Goal

To weave the resiliency of the Lummi culture into behavioral health practices among youth ages 0–21 in order to:

1. Help young people learn and develop a strong cultural identity and resiliency.
2. Build upon this identity and resiliency to improve outcomes later in life (post-high school graduation).
3. Raise awareness of and develop a strong community wraparound support.

Audiences

- Tribal leaders
- Decision-makers/community leaders
- Native youth
- Program partners

Evaluation and Outcomes

- Lummi-ized behavioral health treatment planning
- Weaved wraparound services into behavioral health and Lummi Nation program/services
- Youth and families are reconnecting to cultural practices and mental health stigmas are reduced (we see this in our data collection and services numbers over the years)
