JOB ANNOUNCEMENT

Recovery Support Systems Coordinator

National Association of State Mental Health Program Directors (NASMHPD), Alexandria, VA

DUTIES AND RESPONSIBILITIES. The Recovery Support Systems Coordinator is responsible for bringing expertise in recovery support services and effective systems promoting and sustaining recovery support services to the TTI projects, NASMHPD membership, and NASMHPD staff. Using a lived experience in recovery lens to provide leadership and guidance in the form of technical assistance to states. The Recovery Support Systems Coordinator participates in quarterly calls with leaders of state mental health authorities and is available for one-on-one calls with individual states as technical assistance needs arise. This position also attends TA Coalition monthly calls and brings a lived experience in recovery lens to all Coalition webinars. This position also attends TTI Informational exchanges and Meet and Greet calls and is available for one-on-one calls with individual TTI states as technical assistance needs arise. This position requires a strong advocate with deep knowledge state recovery support services and systems.

QUALIFICATIONS. At least seven years of direct experience working in, managing, and overseeing state behavioral health recovery systems. Expert knowledge of recovery services within state systems, such as peer support, supported housing, supportive employment, supported education, etc. A personal philosophy that is person-centered, recovery oriented, and trauma informed, including using person-first language. Because of the nature of the position, the preferred candidate will be someone with lived experience in recovery from mental illness and/or addiction.

Relevant experience working with State or mental health, human service, and associated systems and authorities. Knowledge of Medicaid state and federal rules and requirements as they relate to recovery support systems. Knowledge of the role of the federal government and state public offices in public mental health policy development, specifically regarding recovery-oriented care. Broad knowledge in mental health and substance use disorder treatment and prevention services across the lifespan. Experience with and knowledge of state and local advocacy, advocacy methods and organizations. Expert knowledge of the principles and practices of wellness, recovery and resilience. Ability to coordinate a complex, multi-faceted project, with a good attention to detail. Outstanding interpersonal skills and an ability to work effectively as both a leader and a team member are essential.

EQUAL OPPORTUNITY EMPLOYER. NASMHPD is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran.

SALARY RANGE. $75,000-$85,000 Annually

APPLICATION PROCESS. Interested applicants should submit a letter of interest and a resume to:

Kathy M. Parker, Director of Human Resources
