Mental Health Reform Act

Why we need MHRA

Every year 44 million Americans deal with mental health issues. We need the #MentalHealthReform Act to fix our broken system

1 in 5 adults are coping w mental illness - but our #mentalhealth system isn't cutting it. It's time to pass the #MentalHealthReform Act

Mental health & physical health are intertwined, so why are we treating them in silos? The #MentalHealthReform Act would remove barriers

Millions of Americans seeking #mentalhealth treatment can't find a provider. The #MentalHealthReform Act would help bridge this gap.

Facebook: 1 in 5 adults are coping with mental illness, but they're facing a system that's badly broken. @Senator Chris Murphy & @Bill Cassidy have a bipartisan bill to help fix our mental health system and improve care. This May, tell Congress to give the Mental Health Reform Act a vote.
